Welcome to S.R.J Carpentry

I am a company working in Bath and all surrounding areas. With over 17 years experience and CITB qualified, I offer all aspects of carpentry and joinery, and project manage jobs.

I employ a conscientious attitude at all times and therefore take pride in my work and your home.

I am very open minded to your ideas and designs, and along with my experience I will help you to achieve what you desire.

Please use this magazine & my website to get an idea of the type of work I have recently undertaken.

Any questions or queries please do not hesitate to contact me.

Thank you

Simon Jones.

Gallery

These images will show you some of the tasks I have undertaken. But by no means do they cover all, they are just informative. Varying from smaller tasks to larger ones, they are displayed in the following order.

- **Internal / External Projects**
- **Enquire for more services.**

Internal / External Projects 1

Final touches to a previously worked on office and utility. Raised and levelled floor, engineered oak flooring, second fix and purpose built dresser and shelving unit

Internal / External Projects 37

A few built in storage items we have recently done.

Internal / External Projects 38 (1)

Fitting Siberian larch timber cladding. Over 700 meters of cladding, counter batons and over 4 kilos of hand driven nails.

Internal / External Projects 38 (2)

Internal / External Projects 39

Hand made fencing, something a bit different from the standard fencing panels. Working our way down this Bath central street. Lovely job in this weather, all treated and routed timbers.

Internal / External Projects 40

Solid oak alcove storage. Top hung storage allowing access with sofa in place. Oiled to finish.

Internal / External Projects 41

Neat, under stair storage cupboards, shelving and bench seat. All made to suit, filled, sanded and sealed ready for decoration.

Internal / External Projects 42

Always a pleasure to see a finished project. Made to measure dresser and storage units with solid oak tops.

Internal / External Projects 43

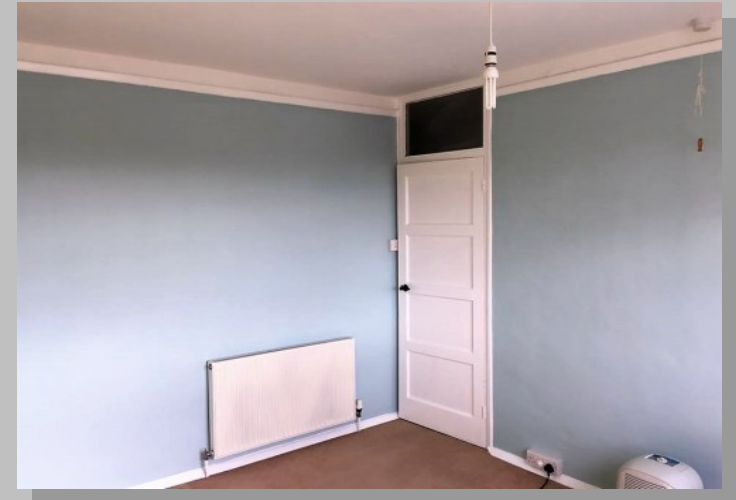

Shop front canopy replacement. Really enjoyed this one, the old butchers shop front in Bathford, Bath. Replaced to its former glory. All new timbers, slate roof and lead work. Next stage is the shop fronts shutters to be made

Internal / External Projects 44 (1)

Complete bedroom revamp. Including removal of the old polystyrene ceiling tiles, fresh plaster skim, made to suit wardrobes, storage and airing cupboard storage, and complete decoration throughout the room, with sprayed finished wardrobe doors. Pleasure to have worked on this project, made even better with the help of our trades and of course the customers.

Internal / External Projects 44 (2)

Internal / External Projects 45

Bike store and storage. Gates front and back, feather edge, felt roof with lead detail and guttering.

Internal / External Projects 46

Repairs to this Porch Trellis support

Internal / External Projects 47

External facelift..... all new and repaired timber fascia boards and soffits all round the house including x3 gables. New white round guttering and down pipe. Removed gable end tiles. Installed Weston red cedar channel cladding. Lovely job and lovely people to work with.

Internal / External Projects 47 Continued

Internal / External Projects 48

Timber framed green house to the back of an existing garage. New lean too roof and frames made to match the removed old rotten green house, clear glazing and corrugated roofing.

Internal / External Projects 49

Solid Iroko pergola. Complete with wire set for the roses to grow.

Internal / External Projects 50

Bespoke dining table made to sit 8 people fully extended. Compact finish for easy storage leaving this open plan room untouched.

Solid prime oak top, softwood base ready for decoration.

Internal / External Projects 50 (2)

Bespoke dining table made to sit 8 people fully extended. Compact finish for easy storage leaving this open plan room untouched.

Solid prime oak top, softwood base, decorated.

Internal / External Projects 51

All rotten timbers replaced and/or repaired on this hardwood veranda. Including winding solid Iroko replacement treads and risers to suit existing strings. All shaped on site. Replacement Sapele base rails and spindles. All ready for the decorators next week, oiling and decoration.

Internal / External Projects 52

Simple but effective external storage made to match the previously installed fencing a few years ago. Made to install garden tools, chairs, table and recycling boxes.

Internal / External Projects 53

Bike storage made to suit this awkward space to the front garden. Made to suit any size and any design.

Internal / External Projects 54

**Incredible place to be working today. South stoke church, built over 800 years ago....
Adjusting the English oak choir pews for today's needs.**

Internal / External Projects 55

Floor Tiles

Been a bit manic recently both work and taken on our bathroom refurb. Busy ole weekend tiling the walls and floor. Ready for the lads (liam and DBD) to second fix next week. Thanks to Eamo for the plastering on Friday, top top job as always.

Internal / External Projects 55 Continued

Internal / External Projects 56

Timber front porch to suit design. Slate tiles, all required lead works and timbers. Complete with laminated glazing and ready for decoration.

Internal / External Projects 57

Replacement driveway gates in Clifton, Bristol. Solid Iroko gates and all ironmongery supplied and installed to suit.

Internal / External Projects 58

Simple modern Venetian style recycling and BBQ store.

Internal / External Projects 59

Replaced like for like steps and landing to this basement property in Bath. Replaced as existing for listed building consent. Ready for the decorators to complete.

Internal / External Projects 60

Garden office project.

Internal / External Projects 60 Continued

Revisited garden office/storage project we completed last year. Nice to go back and see the office and storage in working order with some additional worktops and shelving. Great project and customers from start to finish.

Of course with the help of our trusted trades....

Joe Hitchens groundworks...

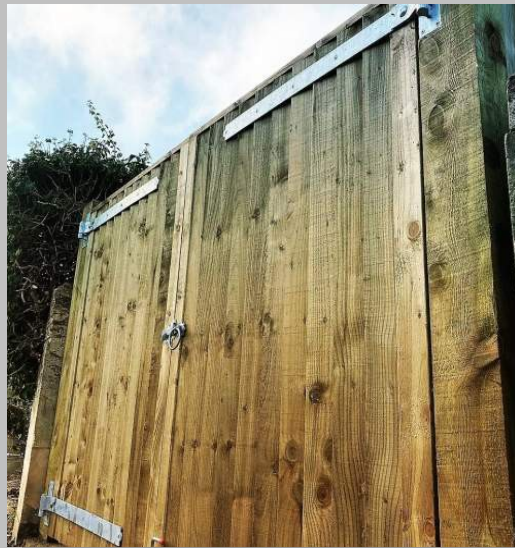

Internal / External Projects 61

Replacement Sapele hardwood conservatory. All new timbers supplied by Windsor Joinery.

Removed and replaced all existing and rotten structural timbers below the wall plate. Keeping the roof details in situ as requested. Stained glass removed and reused. Sealed, filled and sanded ready for decoration.

Internal / External Projects 62

The end of another very busy week and a month of outside works.

Bespoke made drive gates, posts and x2 close board fence runs.

Giving this Bath central garden the needed privacy. Perfect weather for it too.

Internal / External Projects 63

Recent exposed and completed large living room ceiling. Old ceiling removed to expose the joist, services lifted to suit. Insulated and boarded leaving existing joists exposed. X3 structural steels cladded in tulip wood with spot lights. Living room decorated to a finish throughout.

**As always with the help of our trades,
DBD Electrical
C.Eames plastering
Liam sheppard plumbing and heating
Matt Watkins decoration.**

Internal / External Projects 63 Continued

Internal / External Projects 64

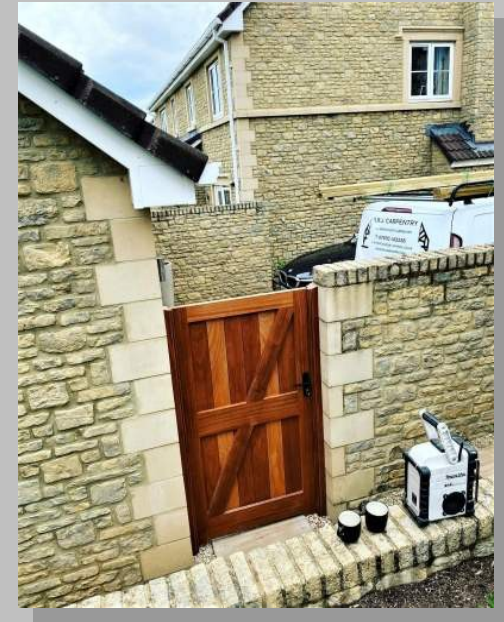

From walk in dressing rooms to river jetty's Decking.

Internal / External Projects 64 Completed.

From walk in dressing rooms to river jetty's Decking.

Internal / External Projects 65

Solid Sapele side gates. New frames and gates to suit this new build in Norton St Phillip. Matt black ironmongery.

Internal / External Projects 66

Saturday mornings work to keep me out of mischief....

Iroko timbers creating a cantilever bench seat, plugged and ready for oiling..

Internal / External Projects 67

Simple but affective Venetian style recycling storage. Made to match the existing fencing to store wheelie bins and boxes.

Treated softwood timbers all routed with a matching chamfer with black ironmongery matching the bench.....

Internal / External Projects 68

**Had the pleasure of creating this hardwood lean too in Bannerdown.
Handmade to suit this awkward space. Sapele hardwood timber framed, roof rafters, cladding and doors. Timbers supplied by Windsor Joinery. Rubber roof and rain water by Bath roofing contractors.
Oiled to a finish by the customer.**

Internal / External Projects 68 Continued

Internal / External Projects 69

Bespoke driveway gates and fencing, replacement hand, base and spindles to the existing stair line.

Internal / External Projects 70

Completed Iroko glazed free standing pergola. Made to suit required design in this listed building in Bath.
